Mission work among the people, from house to house, and man to man, is the great need of these times and in all places. This is the work of

The American Baptist Publication Society.

It sends out visitors, Bibles, Testaments, tracts, books, Sunday-school workers, and many kinds of papers and other periodicals.

IT NEEDS HELP

always and liberally from every church, Sunday-school, young people's society, and from all persons. **This work is wholly dependent on the contributions received.** The calls are more than can now be answered. Let every one help this great and needy and blessed work

C. C. BITTING,
Bible and Missionary Secretary,
1420 Chestnut St., Philadelphia, Pa.

Things Worth Knowing.

1. The American Baptist Publication Society, either at its home office, 1420 Chestnut Street, Philadelphia, or at its Branches in New York or Boston, Chicago or St. Louis, Atlanta or Dallas, will gladly furnish any proper book at the lowest possible price. We are booksellers as well as publishers.

2. If you do not happen to know just the book you want, give us an idea of the subject, and we will try to send you the information you need.

3. If you are seeking Reward Books we shall be glad to counsel you in their choice. Tell us for what sort of people they are intended, and the amount you care to expend, and we can point out just the books you want.

4. A careful and competent committee examines every Sunday-school book as soon as it is published. We cast aside those which are not just right, and keep a list of those which are approved as unquestionably fit for a Baptist Sunday-school Library. Nobody can have a copy of that list, but we will fill orders for Baptist Sunday-schools from it, with our guarantee. If there is any reasonable objection to any book, we will exchange it or return the money.

5. We would rather sell a Bible than any other book. So we keep a very large assortment of Bibles, in all types and styles of binding, and at the lowest prices. We have more reason for wanting to sell Bibles than any other bookseller can possibly have.

6. We shall be glad to have some person in every church to act as our agent in selling our books. We are ready to pay a very liberal discount for vigorous service.

A. J. Rowland,
Sec'y

REPORTS OF COMMITTEES.

Sunday Schools.

We find the Sunday School cause in our bounds greatly neglected. We earnestly urge that the churches in this Association to wake up to this important work. We recommend that each church organize a Sunday School at once and adopt Baptist literature, in order that we may more effectually teach God's word. We believe the Sunday School a good place for the church to work in, teaching God's word to the rising generation. J. A. GARNER, chairman.

Missions.

Your committee begs to say, that we are pained to note that the Mission funds sent up by this Association to this session is so small. We believe that every Baptist is under obligation to contribute to the Mission cause. We would again urge our pastors and brethren to press this matter before our people. A. A. HURST, chairman.

Deceased Ministers and Deacons.

Since our last session, our brother Rev. J. R. Newell of Zidonia, Alabama, has gone to his reward in Heaven. His labors have ceased but his works will follow him.

Resolved—That we cherish his memory and try to emulate his zeal and modest work for the Lord.

Also Bro. Loomis a deacon of first Baptist church at Tallopoosa, Ga. J. C. GARNER, chairman.

We recommend that the next session of this Association to be held at First Baptist church Tallapoosa, Haralson County, Ga., on Friday before the First Sunday in October, 1896, at 10 o'clock a. m.

J. ISBELL, chairman.

Executive Committee.

Your committee begs to report that we have had no work done during the past year. But Bro. T. W. Griffith desires work in this Association during the coming year. Therefore we ask that each church in the Association raise whatever funds they may be able to do, so that we may make contract with him, and put him in the field as soon as he may return from Louisville.
